FOREWORD

In the following pages you will once again travel the familiar highways and byways of McLean High School, observing this year as the product of a corporation of education.

In many ways McLean High School resembles a business corporation. It has a board of directors, executives, workers, unions, an assembly line, and even a coffee break. The faculty has guided the student in his studies, while the students themselves have organized and participated in extracurricular activities. The field of athletic endeavour has served as a focal point for school spirit, while social events have enabled the students to gain a cultural as well as an intellectual education.

This is the year that you, the employees of this corporation of education, have produced.

ADMINISTRATION

Mr. Joseph Lyons (ASSISTANT PRINCIPAL FOR ADMINISTRATION), Mr. Eugene Griffith (PRINCIPAL), Mr. George Wilkins (ASSISTANT PRINCIPAL FOR INSTRUCTION).

Long into the night.

McLean's administration keeps quite busy with the multitude of problems which arise daily in the operation of a large cosmopolitan high school. These duties include not only such things as transportation, student-faculty problems, preparation of reports, scheduling classes, curriculum, maintenance of the school plant, etc., but also relations with the community, state, and nation as well.

Mrs. Mildred Lowe, DIRECTOR OF GUIDANCE

Probably no department in McLean High School is more important to the students than the Guidance Department. From the moment a new student enters the school until he graduates, this department guides his academic and vocational pursuits. The primary function of the Guidance Department is to help the student realistically evaluate himself; this includes routine scheduling, progress evaluation, and individual direction in assisting him in accomplishing each day's work. To facilitate these services, the county has established data processing centers where report cards and other records are handled.

Seated: Mrs. Fonda Simmons, Mrs. Mary Marshall.
Standing: Miss Carrie Chapman, Mr. Palmer Rutherford, Miss Joyce Chapman.

AMERICAN CIVILIZATION

Mr. Arthur Day and Miss Irene Adamusko

American Civilization at McLean High School is a course of study in which seven academic disciplines are interrelated in order to: (1) see effects of philosophical and physical environment on the development of the American; (2) trace the parallel developments of the various sectional cultures; (3) create an understanding of the present-day American and a recognition of his common as well as his individual characteristics, values, and customs; (4) understand America's present-day position as a major world power.

Mrs. Eltse Carter

Seated: Mr. George Wilkins, Mrs. Alice Severy, Miss Beth Oakes. Standing: Mr. Harry Maranian, Mr. Jerry Miller, Mr.

Norbert Irvine, Mr. Phil Lester, Mrs. Helen Krell, Mrs. Martha Poling.

Miss Libby Auten, Miss Eleanor Ruddle, Mr. Al Ames

BUSINESS

Mrs. Mary Taugner, Department Chairman

The Business Department feels that every student could supplement his academic wisdom with the know-how for temporary or permanent employment. Courses offered in distributive education, typewriting, shorthand, bookkeeping, and office machines (COP-VOT) develop skills which are much in demand among the employers of the area. A number of students benefit, too, from actual work experience combined with their classroom training under the Distributive Education and Vocational Office Training programs. These and other students may also take Civil Service examinations for typists and stenographers and become certified for summer or permanent employment after graduation.

In addition, one-semester courses are offered to students who want typing and notehand only as useful tools to aid in their college careers.

ENGLISH

Seated: Mrs. Helen Krell (Dept. Chairman), Mrs. Janet French, Mrs. Sara Jane Catron. Standing: Miss Mary Ann Hughes, Mrs.

Mary Cleary, Miss Sara Page, Mr. Dennis Osborn, Mrs. Charlotte Conger, Mrs. Martha Poling, Miss Beth Oakes.

Mr. Van Wall

The courses offered by the English Department increase the students facility with the basic skills of the English language. English I and II provide a solid foundation in grammar, composition, and world literature, while English III and IV place emphasis on American and English literature with continued practice in composition skills.

These skills enable the student to express his opinions both in writing and in speaking. The student acquires a greater appreciation of the importance of English in his life.

Mr. John Duncan - Drama Department

The desire of McLean's students to express themselves artistically in drama, music and visual art has expanded the fine arts department. The Highlander Choir and the Madrigals, both more highly select groups this year, thrilled their audiences in the Christmas and Spring concerts and combined their musical ability with dramatic talent in the production of "West Side Story." The bands proved in their concerts that they could meet the challenge of new music and provide top-rate entertainment, while the visual art department has displayed in the halls the results of new graphic equipment and more fully developed art courses for advanced students.

FINE ARTS

Left to right: Mr. Norbert Irvine, Mr. Jerry Miller, Miss Lillian Nunn, Mr. Phil Lester.

Seated: Mrs. Jean Hanchette, Mrs. Terry Jo Sullivan, Mr. William Brown. Standing: Mrs. Catherine Deverall, Mrs. Elizabeth

Brown, Mr. James Perry, Mrs. Elizabeth White, Capt. Bartlett, Mrs. Mary Cleary.

FOREIGN LANGUAGES

Idiom drills, basic sentences, translation drills, and substitution drills are familiar terms to most McLean students. These terms refer to courses offered by the Foreign Language Department in German, French, and Spanish. Students of Latin are well aware of the pitfalls of conjugations, declensions, and passive periphrastics. These courses not only enable the student to gain insight into his own language, but also give him common bonds with peoples of other nations.

"All eyes on the ceiling."

"Yes, yes, yes, yes, ..."

No area in any high school or center of learning can exist without up-to-date library facilities. This includes not only books, but other material as well: audio-visual aids, periodicals, maps, films, filmstrips, etc. In our changing world of mass communication and increased knowledge, McLean's library tries to keep abreast of the new publications in all areas. Teachers, administrators, as well as librarians, are constantly submitting orders for new books and aids. This has allowed our library to become an excellent research facility where students are able to work with the most current findings in all fields of study.

MATHEMATICS

The Mathematics Department is sufficiently flexible to adapt itself to the changing needs of the student body. Although no new courses were offered this year, in the past few years the programs of study have been modernized to keep in line with the nationwide trend in mathematics. As a result, the student is now able to pursue his studies from General Math 9, to Advanced Placement Math, which consists of college level calculus.

Miss Edith Elliott. Dept. Chairman

Seated: Mrs. Ann Poulson, Miss Edith Elliott. Standing: Mrs. Jewell Asling, Col. A. H. Meyer, Mrs. Helen Stiltz, Mr. Dennis Osborn, Cdr. William Fey, Col. Kenneth Kerby.

Seated: Miss Lloyd Townsend, Mrs. Zaidee Stokes. Standing: Mr. Jimmy Miller, Mr. Gus Panagos (Director of Athletics), Mr. Charles Caldwell, Mr. Tom Dolan, Miss Mary Lou Carroll.

PHYSICAL EDUCATION

A wide variety of physical education activities are taught at McLean, covering both team and individual sports. The team sports are taught to encourage physical skills, sportsmanship, and co-operation. The individual sports are stressed in order to provide students with recreational interest in later life. Besides contributing to the well-being of students through these programs, the Physical Education Department also offers courses in health, first aid, and driver education.

McLean wins again!

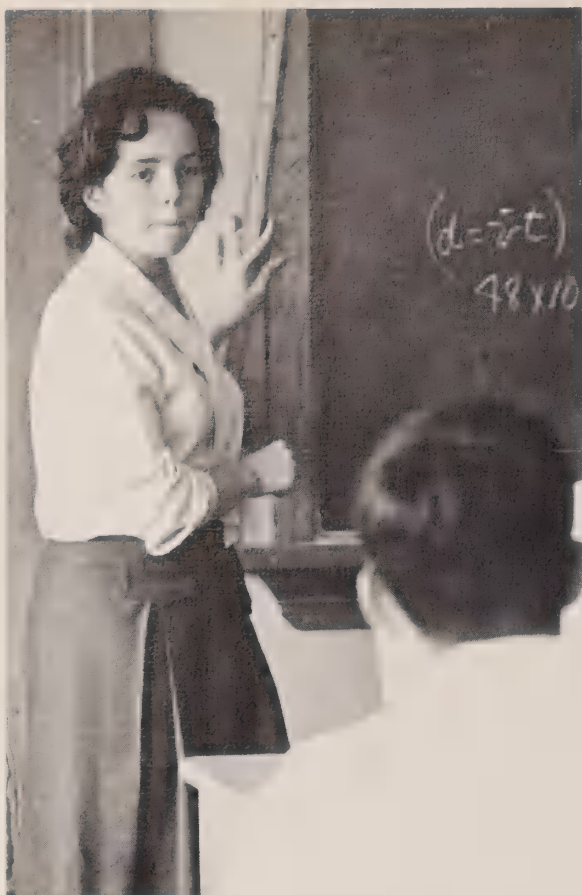

Mr. Dale Larson and Mr. Paul Pence

PRACTICAL ARTS

Mrs. Edna Derrick

The good smells and the unearthly grinding noises heard from the halls are evidence that the Practical Arts Department is hard at work. In the Home Economics section, girls and this year boys, are being taught basic skills in managing a home and are getting experience outside the classroom with trips to a clothing factory and Woodward and Lothrop's China, Glassware, and Silverware Department. The industrial arts section trains boys in the basics of woodworking, metal working and printing; preparing them for future job opportunities in the craft trades.

Mrs. Denise Anderson - "Our Ex-Miss Brooks"

SCIENCE

This year the Science Department has added another "alphabet" course to the curriculum—ESCP, the Earth Science Curriculum Project.

In addition, the department offers BSCS biology, CHEM study chemistry, CBA chemistry, and PSSC physics. Complementing these standard courses is Advanced Placement Chemistry, offered to selected senior students.

Seated: Mrs. Johanna Donaldson, Mrs. Martha Walsh (Dept. Chairman). Standing: Mr. Melvin Rose, Mr. Charles Caldwell, Mr. Murriel Price, Mr. Robert McGuire.

Seated: Miss Julia Gunn, Mr. Arthur Day (Dept. Chairman), Mr. Allen Barrow. Standing: Mr. Harry Maranian, Mrs. Helen Krell, Mrs. Helen Lerg, Mrs. Charlotte Conger, Mrs. Lula Drell, Mr. George Garbark, Mr. Scott Swan, Mrs. Alice Severy, Mr. Norman Fowler.

SOCIAL STUDIES

One of the most dynamic and important areas of study today, important not only to high school students but to every American as well, is in the field of Social Studies. As our world grows smaller it becomes even more necessary for everyone to better understand and know about other cultures as well as his own. The Social Studies Department is attempting to do this by offering a variety of courses designed with this in mind—World Civilization, American Civilization, Modern History, Geography, Economics, Sociology, U.S. History, U.S. Government, World History and Ancient and Medieval History.

"Pete was right, this isn't work."

"No one will ever find me here."

Mrs. Irene Jones

VISITING TEACHER

McLean is fortunate in having the services of a little known, but very busy person, the Visiting Teacher. Her job includes a variety of activities such as working with indigent families, working with potential drop-outs, helping students who have dropped out of school to obtain jobs, and working with families faced with major social and economic problems. Mrs. Jones services are invaluable in helping to better the lives of these students.

SCHOOL NURSE

The school nurse is a valuable member of the professional staff at McLean High School. On duty most of the day, her job is to administer the school's health program as established by the County Health Department. Among her various jobs in this capacity are physical examinations for all students, working with daily health problems, tuberculin tests, audiometer tests, dental checks, visual tests, first aid, and any major accidents which might occur.

The Class of 1966 has had its most successful year at McLean High School. It grew this year to 470 members, all of whom participated in the many activities of the Senior Class. Along with a prize winning float, a victorious powderpuff team and a very successful Senior Dance, the class sponsored the Senior Banquet, the Senior Show, and an "interesting" class trip to Skyline. Besides athletic ability and talent, the Senior Class has academic ability as shown by the 12 merit finalists and 40 letters of commendation. We are all looking forward to graduation and a successful future.

TOP SCHOLARS

FIRST TEN ACADEMICALLY

Luke Wright, Mary Jo Monk, John White, Doug MacKay, Tom Brazie, Bill Wilson, Kit Griffen, Nancy Linnan, Madlyn Hansen, Mary Trevor Thomas.

Left to Right, First Row: Andrea Busby, Kit Griffin, Ann Abercrombie, Ann Cafaro, Libby Cain. Second Row: Jim Plummer, Bob Flath, John Hewitt, Bill Hudson, Doug McKay, Tom Armour.

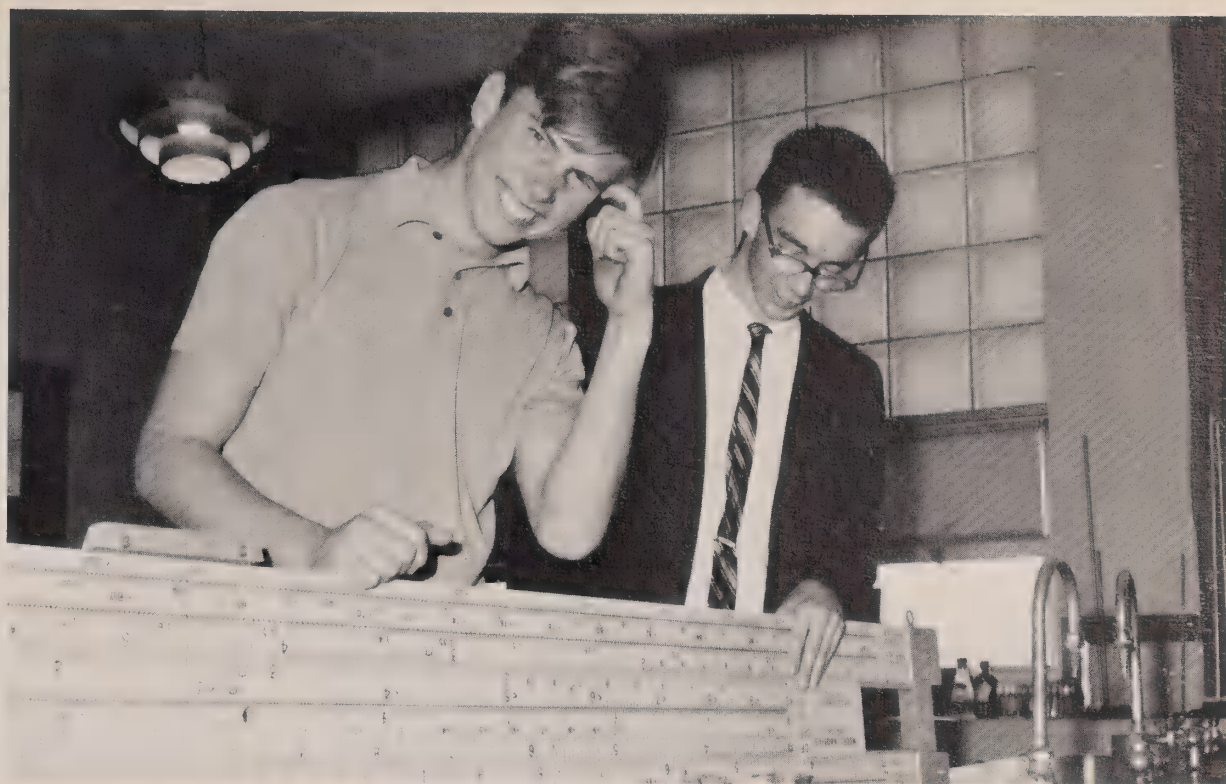

NATIONAL MERIT FINALISTS

Ron Martin, Donna Brown.

McLean High School can be justifiably proud of the record its students have compiled in the annual National Merit Scholarship competition. This year we have in addition to eleven finalists in the regular competition two finalists in the special National Merit program for Negro students. Also worthy of note is the fact that these thirteen students represent one of the largest aggregations of scholarship at any one place in the country. Congratulations to these students on their outstanding performance.

For the eighth consecutive year McLean High has had winners in the Westinghouse Science Talent Search. Much to Mrs. Walsh's relief, Geoff Hougland and Brian Carroll arrived on the scene with math projects which, coupled with good scores on a rugged comprehensive test, won honors in stiff competition.

Geoff Hougland and Brian Carroll.

WESTINGHOUSE TALENT SEARCH WINNERS

D.A.R. - S.A.R. GOOD CITIZENSHIP AWARD

Lyn Baird and John White.

Lyn Baird and John White are familiar figures around school, since both are active in numerous school activities. In recognition of their service to the school and exemplary character, Lyn, selected by the Daughters of the American Revolution, and John, selected by the Sons of the American Revolution, were selected to receive the Good Citizenship Award for 1966.

JUNIOR CLASS

Seated: Karla Forsythe, President; LeRoy Andrews, Boy Senator. Standing: Susan Krebs, Girl Senator; Diana Gray, Treasurer; Mr. Norbert Irvine, Sponsor; Barbara Segal, Secretary. Not pictured: Ann Fienup, Vice President.

This year the Junior Class, with the assistance of its sponsors, Mr. Irvine and Mr. McGuire, have sponsored many sock hops, dances and other projects, (such as operating the new lost and found desk), the Powderpuff game, and bake sales last summer. All efforts this year by our class were aimed at producing a successful Junior-Senior Prom.

SOPHOMORE CLASS

Seated: Linda Esch, Treasurer; Hayes Taylor, Boy Senator; Bobby Harrington, President. Standing: Gary Cloppas, Vice President; Laura Elliott, Girl Senator; Linda Schoner, Secretary.

Christmas in July.

After two years at McLean, the Class of '68 finally feels right at home. To take its place in the class structure of the school, the Sophomores went all out to enthusiastically support everything that happened at McLean. Not only did they provide eager and talented athletes for sports activities and interested members for organizations around the school, but they ran one of the most lively, spirited class elections in the spring that McLean has ever seen. With the prospects shown by this class, McLean will have no trouble in remaining a great school.

FRESHMAN CLASS

Seated: Maggie O'Rourke, Treasurer; Sam Clark, President; Mac Ragsdale, Vice President. Standing: Joy Skon, Secretary; Emily Ball, Girl Senator; Brian Ball, Boy Senator.

Our first year in McLean High School has been an exciting experience. After our initial shock of being in such a large school, we settled down to the routine and quickly became a part of the school. Class elections were held in November and after that many activities planned; a class trip, sock hops, and money collected for the senior class. We all look forward to our sophomore year and feel that in some way, we have contributed to McLean High.

UNIONS

SCA

The Student Co-operative Association is finally on its way to becoming a driving force in the student body. Interest was generated by better communications with all of the students. Because the variety of drives and activities sponsored by the SCA and the other representative organizations connected with its were well-planned, the student body provided the much needed support and enthusiasm. Now that the student government has become a more active part of McLean, improvement is bound to show throughout the school.

C L A N

EDITORS

Now that the yearbook has finally gone to press, the *Clan* editors can afford to take a breather. (See the picture). What with the myriad problems of securing senior pictures, the midnight sessions correcting the layout errors, and the deadline missed by three weeks because of the Blizzard of '66, it's a small wonder that there is anything to show at all. Even with all of the problems, we feel that we have succeeded in presenting a new and refreshing picture of life at McLean High School, 1966.

FOOTBALL

Co-Captain Greg Murphy—All Northern Virginia

The 1965 Highlander football team, under the new and expert tutelage of coaches Charles Caldwell and Scott Swan, was determined to improve on last year's record. The reverberations were felt across the entire Northern Virginia Group 1-A League. In their victories over Wakefield, Falls Church, Madison, Washington & Lee, Hammond, and Marshall, the team demonstrated competitive spirit and great determination for future Highlander teams.

J.V. FOOTBALL

The Junior Varsity Football Team, coached by Mr. William Abell and assisted by Mr. Welch, gained a great deal of experience in working together as a team. The team suffered a losing season, but made a valiant effort and showed improvement as they progressed. The J.V. Team should provide some experienced players for future Varsity teams.

So close yet so far.

FROSH FOOTBALL

The Freshman football team, organized and directed by Coaches Dolan and McGuire, will supply much needed talent for future Highlander teams as shown by its record this year. It is hoped that the promise evidenced this year is fulfilled in the coming seasons.

This year's Cross-Country Team was sparked by the running of Ted Wood and Bruce Smith. A third place finish in the Northern Virginia Meet prepared the runners for the State Meet. Again, Wood and Smith paced the McLean harriers to a fine seventh place finish at the State level. Coach Panagus is especially proud of the individual work the boys did on their own time.

WRESTLING

There are losers in every league and our wrestling team fulfilled the quota for the Potomac District. Coach Swan, in his first year as coach, labored long hours to mold the team. Toward the end of the year evidence was found, in the persons of Jim Spore and Mike Farrington, to show that his efforts were not in vain. Both boys did well in the District and area matches. It is hoped that the returning lettermen will form the nucleus for a more successful season next year.

McLean suffered a very disappointing season due to their inability to capitalize on their opponents' mistakes and to hold their own in the final seconds. In game after game, McLean set the pace, only to have victory snatched from them with seconds remaining. The bright spots of the season were in the individual performances of various players, including Rick Hughes and Kim Kramer, who set school records, as well as making All-Star teams, and Craig Pickering, with his solid, all around playing. To Coach Dolan goes sincere appreciation for a long, hard fought season.

The Varsity Baseball team has yet to get off the ground. With only a few games remaining in the season, their record is one win and ten losses. Coach has worked hard with the Varsity boys, but the scores have still been disappointing. Although they will have a losing season, in the last few games they may be able to redeem themselves in the Potomac District. As the end of the sports season approaches, again the prospects seem hopeful for better achievements next year.

The Girl's Varsity Basketball team had a better season than its 4-8 record would seem to show. In many of the 8 games they lost, McLean outplayed their opponents, only to lose in the final minutes. Although the girls were discouraged by their inability to hold the lead in the last minutes, they never stopped fighting for the win. A lot of credit is given to Miss Townsend for making the girls aware of the importance of developing their skills and playing hard during every minute of the game.

MISS BEATRIZ GARCIA-ALMANDOS

"And in my spare time ..."

Dear Friends,

It is hard to believe that my year in McLean is over.

So many things have happened, so many experiences since my first day in the U.S. when I tried to have a hamburger with fork and knife!

Now I have finally succeeded in remembering the combination of my locker (although I cannot always open it), and have learned that the U.S. is something besides crew-cuts, chewing gum and peanut butter-and-jelly sandwiches. It has been a wonderful experience and I have enjoyed it thoroughly.

I will miss McLean H.S., my North American family, sledding and McDonald's, but I feel happy thinking that back at home I will be able to convey a more accurate concept of you to my people.

I hope you will always remember that Uruguayans are not tree-dwellers and that we do have T.V. and cars in Uruguay.

Thank you for everything,

Sincerely,
Beatriz Garcia-Almandos
(Uruguay - '65-'66)

JUNIOR SENIOR GAME

"Hey Coach! Now what do I do???"

Winning coach - Danny Cloppas.

All that yelling for nothing!

A perfect shot???

The Octopus strikes again!!!###

The Seniors win again! They met the challenge of the strong and eager Junior team and proved the superiority of the Class of '66. Pure bedlam ruled in McLean's gym as the two highly competitive teams battled it out in the final seconds. The result: Seniors 33; Juniors 31.

AMERICAN CIVILIZATION PARTY

"The WILD, WILD WEST!"

"POP ART"

"Diamond Lil and her escort Emperor Jones."

A new way to review American Civilization - have a party and require each student to come as a character out of our heritage. This was tried, and proved to be a unique experiment. Students came as immigrants, personalities out of history, characters from literature and the arts, and as America's myths and symbols. This strange but true montage of Americanisms wandering around the party proved to be not only humorous, but thought-provoking, too.

"The Roaring Twenties!"

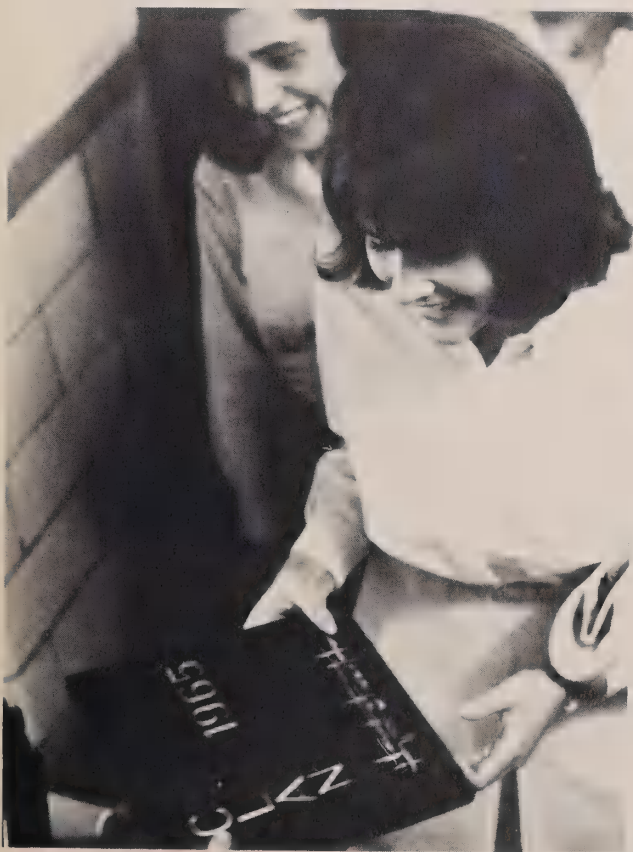

"The 'characters' from UNCLE TOM'S CABIN."

Morning line to see Mr. Lyons.

YEARBOOK SIGNING PARTY, 1965

"But I asked for a tricycle ..."

Banned in Boston.

The Brylcreem girl—Danny Cloppas.

Mr. McLean—Irma Seduce—Rick Skean.

Here she comes ... Mr. McLean? Well, anyway this was the most beautiful and talented bevy of girls (?) to charm McLean since the Miss McLean contest! From baby dolls and Girl Scouts to ballerinas and surfer girls, there was never any lack of laughter and shrieks from the audience. The entertainment provided by the 45 beautiful creatures on stage make it clear that the Mr. McLean will become an annual event.

MR. McLEAN CONTEST

Double your pleasure, double your fun ...

The Boobsey ... oops, Bobsey Twins.

DEPARTMENTAL

VISITOR

DR. LAURA V. SUMNER

Dr. Laura V. Sumner of Mary Washington College was our only Departmental Visitor this year. She spent two days at McLean High speaking on a variety of topics dealing with the Classics, American and World Civilizations, the Humanities and languages.

Applause continually followed laughter as Dr. Sumner made her lectures full of interest to the students through her sense of humor and personal anecdotes. A well spent hour in each of her lectures led to a general consensus among McLean students—Dr. Sumner was a great lecturer.

"My point is ..."

"Ten minutes till my next lecture."

"A small conference with Mr. Wilkins."

"Down by the old mill stream ..."

OUTDOOR AWARDS ASSEMBLY
